CORRECTED DRAWINGS

Sir:

In accordance with the requirement stated in the Notice of Allowability mailed August 22, 2005, enclosed is a new set of drawings (6 sheets) for the application.

Fig. 3 of the drawings includes the correction proposed by applicant, namely inserting the numeral "16b" in place of numeral "16a" which was initially present in the drawing. The correction to Fig. 3 removes the inconsistency between the specification and Fig. 3 which was present in the application as originally filed.
